

**Kahn Consulting, The Ingersoll Firm, and Quarles & Brady LLP
are pleased to present an Encore Presentation of**

The ESI Data Map:

What Inside Counsel and Records Managers Need to Know

Tuesday, March 24th | 1:00pm EDT | 10:00am PDT | 12:00pm CDT

Join us for a one-hour webinar on one of the hottest topics in the legal and records community today: **Data Mapping.**

This webinar will break down the crucial facts about building, maintaining, and using an ESI Data Map.

Speakers

Lisa J. Berry-Tayman, Esq., CIPP | Senior Consultant, Kahn Consulting

Kelly Twigger, Partner | Quarles & Brady LLP

John P. Collins, JD, Vice President of Consulting | The Ingersoll Firm

Key topics covered will include:

- **How to build an ESI data map**
- **The benefits of an ESI data map**
- **How — and where — ESI data map fits into an organization's records management and records retention program**
- **The value of an ESI data map from inside counsel's perspectives**

Please note that the March 11th Webinar recording encountered a technical problem. We will be posting the encore presentation at ediscovery.quarles.com within several days of March 24th. We apologize for any inconvenience and look forward to ensuring your access to this tremendously popular Webinar.
